**Lee County, Fla.** - The Florida Fish & Wildlife Conservation Commission (FWC) website reports Red Tide is not present or at background levels near South Seas Plantation Beach, therefore the Florida Department of Health in Lee County (DOH-Lee) is rescinding the Cautionary Notice for the red tide bloom near South Seas Plantation Beach.

Florida Poison Control Centers have a toll-free 24/7 Hotline for reporting of illnesses, including health effects from exposure to red tide at 1-800-222-1222.

Additional information on the locations where red tide has been found can on the [Florida Fish and Wildlife Research website](#).

### **About the Florida Department of Health**

The Department, nationally accredited by the [Public Health Accreditation Board](#), works to protect, promote and improve the health of all people in Florida through integrated state, county and community efforts.
